MISSION STATEMENT

The Museum Publishing is a company that produces all kinds of brochures or promotional posters for historic attractions mainly including ancient buildings or architectures. It also creates name tags for specific object in any kind of museum or palace. Those products can be published online or in paper with high quality illustration and creative design. Furthermore, the direct target audience of the Museum Publishing is the manager of historic attractions or museums. Additionally, all visitors who will consume the product are indirect audience. Through helping the client, the company will advertise the concept of protecting the cultural heritage.
