TYPOGRAPHY

The typography for Honeycomb Publishing is Quicksand, a display san serif with rounded terminals created by Andrew Paglinawan and revised in 2016 by Paglinawan and Thomas Jockin. It is available on Google Fonts.

MISSION STATEMENT

Honeycomb Publishing is dedicated to the highest quality storytelling for children and young adults. Since its founding in 2018, Honeycomb Publishing has provided books and magazines across all categories of interest and reading levels. We believe stories have the power to shape readers' perspectives of the world and of themselves, and our literature reflects a commitment to diversity and inclusion. Our books and magazines strive to inspire the imaginations and encourage the growth of young readers through the written word.
